Attendance at the general meeting of shareholders

Shareholders registered on the Reference Date in the register of shareholders of the Company kept by the Central Depository S.A. may participate in person or by proxy in the OGM, each shareholder having the right to appoint any other natural or legal person as proxy to participate and vote on his/her behalf in the OGM, in compliance with the provisions of Article 105 of Law no. 24/2017.

A shareholder may appoint only one person to represent him/her at the OGM. However, if a shareholder holds shares of the Company in more than one securities account, this restriction will not prevent him/her from appointing a separate representative for the shares held in each securities account in respect of a particular OGM. Where a shareholder is represented by a credit institution providing custodian services, it will be able to vote in the OGM on the basis of voting instructions received by electronic means of communication, without the need for a special or general proxy to be drawn up by the shareholder. The Custodian will vote at the OGM solely in accordance with and to the extent of the instructions received from its clients who are shareholders on the Record Date.

In the event that items not included in the published agenda are discussed at the OGM in accordance with the legal provisions, the proxy holder may vote on them in accordance with the interest of the shareholder represented.
